Hello Nancy.

I represent the Town of Florence, Arizona and have been asked by the Town Council to request a meeting with you, me, and the Town Manager, Brent Billingsley, to discuss in general the current status FCI's UIC application for full scale commercial mining.

We recently had a similar meeting with ADEQ regarding FCI's APP application for full scale commercial mining. That meeting was helpful.

The Town is requesting this meeting with you on behalf of the welfare of its citizens and the environment but more importantly in the spirit of cooperation. The Town is hoping to be able to move through this next set of permit applications in a cooperative fashion.

The Town is hopeful that some of the concerns raised by the most recent information reviewed as to the PTF facility can be alleviated through a meeting with you.

I know you are incredibly busy, but if you can find an hour to meet with us, we would appreciate it. My contact information is below.

Regards-
